

# Northwest Colorado Visiting Nurse Association

Hospice and Palliative Care

## 18<sup>th</sup> Annual Hospice Celebration of Life

The Hospice Celebration of Life supports Northwest Colorado Visiting Nurse Association's Hospice and Palliative Care Program. VNA's compassionate, quality care enables terminally ill community members to approach the end of life with dignity and comfort in their own homes or at our Rollingsstone Respite House. In 2010, VNA provided care to 73 terminally ill patients from Northwest Colorado. And last year, more than 450 grieving family members (including children) received bereavement counseling and support from VNA.

The two-day Celebration of Life kicks off with an evening dinner event featuring a heart-warming tribute to the past year's Hospice patients, families, volunteers and staff and a popular drawing for five spectacular vacation get-aways. The next morning, golfers join us for our tournament at the exclusive Catamount Ranch & Club on the shores of Lake Catamount.

VNA is seeking sponsors to help offset costs associated with this annual community event. As a sponsor, your financial contribution will help us reach our goal to raise \$50,000 this year. In return for your tax-deductible sponsorship contribution, your business will receive the following event benefits and visibility at the event and in the community, as well as the satisfaction of supporting VNA and our work to provide comfort and enhance the quality of life of people facing terminal illness. If you have questions or need more information about sponsorship opportunities, please contact Anne Mudgett, Special Projects Coordinator, at 970.871.7630 or [amudgett@nwcovna.org](mailto:amudgett@nwcovna.org).
