PLAN AHEAD

**Some vaccines are administered as a series
given over a period of 1-6 months.**

**Travelers should consult with the Travel
Clinic at least 4-6 weeks before
departure to allow for optimal antibody
production to take place.**

- Recommendations are based on recommendations from the Centers for Disease Control and Prevention (CDC) and from the World Health Organization (WHO). An International Certificate of Vaccination Card will be issued for all Yellow Fever Vaccinations. For more information on which immunizations you will need for specific countries please go to www.cdc.gov/travel.
- Recommendations for travel vaccinations will not be given over the phone.

We look forward to assisting you and your family with your travel needs.
